

SNOWZILLA 2016

A huge snow storm was headed our way.

The snow started to fall...

2

And fall....

3

Soon, everything was covered!

4

Including me!

5

Brilla needed a path shoveled.

6

No easy task! It was over two feet deep!

7

Perfect for making snow angels!

8

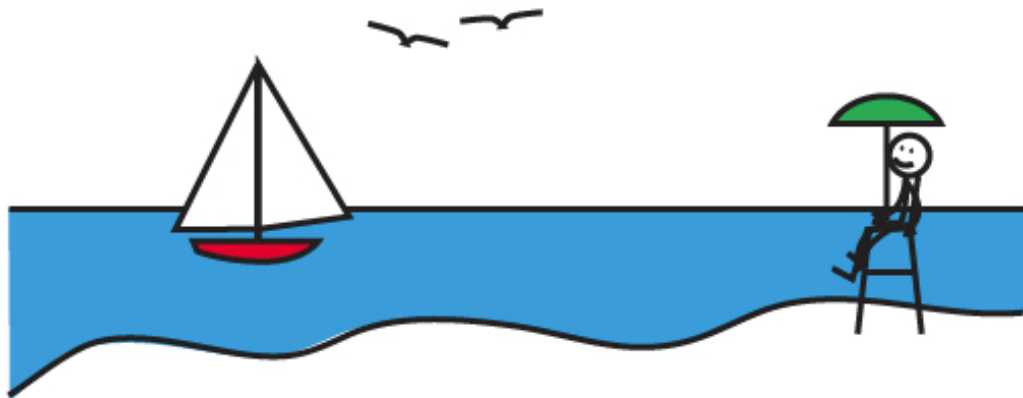

Digging out would take several days!

9

I'll be glad to see the grass again!

10

I'm already looking forward to summer.

11

In the meantime, I'll stay in and bake cookies. 12

Stay warm!
